Subject: Webinar for RPA/PA Nutrition, Nutritionist and Nutrition Assistant at CMTC-NRC regarding Feeding Protocol at CMTC-NRC and Nutrition Programs Review.

The Government of Gujarat is Committed towards malnutrition free mother and children of State. Undernourished children especially those with Severe Acute Malnutrition (SAM) poses significantly higher risk of mortality and morbidity. To combat SAM Children, Government of Gujarat has successfully implemented Kuposhan Mukht Gujarat Maha - Abhiyan (KMGA) Program. Under KMGA Program, Screening of 0 to 5 years children along with facility or community based management of Severe Acute Malnourished (SAM) children is carried out on regular basis instead of campaign mode.

SAM children with medical complication and/or appetite test fail are very critical for any morbid condition. Management of such children at CMTC-NRC with proper feeding protocol is an utmost priority especially during COVID 19 Pandemic. In regards to same, a webinar is going to be hosted by Department of Health and Family Welfare, Gujarat in coordination with UNICEF, Gujarat from State level for an orientation of RPA Nutrition, PA Nutrition, Nutritionist and Nutrition Assistant of CMTCs-NRCs. You are informed to communicate same and make sure that all the participants attend the webinar. In case, if a post for a cadre is vacant, you are directed to make sure that a person in charge for the same attends the webinar. Participants attending the webinar are further informed to communicate the details to further staff at the facilities. The details of Webinar will be will be communicated soon.

Date: 1st September 20
