NO. ACS/SWD/MISC/6/2020

Dated 22nd April 2020

From : Jishnu Barua, IAS
Additional Chief Secretary to the Govt. of Assam,
Social welfare Deptt.
To : The Programme Officer, Divisional ICDS Cell, -All
The District Social Welfare Officer -All
Child Development Project Officer, -All
District and Block Coordinators, POSHAN Abhiyaan Assam -All
Sub : **Regarding Orientation Training on COVID-19 and responsibilities of ICDS Field functionaries through zoom platform**

Sir,

We all are aware that due to the outbreak of Novel Corona virus (COVID 19) all AWCs are closed to maintain the lockdown protocol. Nearly 62 thousand AWWs could not deliver their ICDS six services at AWC level. This is very challenging time for us as well as the ICDS service itself. ICDS Field level functionaries have a very important role to play during the lockdown period. The most important thing for all of us is to reach out to all children below six years, pregnant and lactating mother, and adolescent girls to orient them on COVID 19 and to help them overcome the anxiety of the critical situation.

State Project Management Unit, POSHAN Abhiyaan, Assam and UNICEF Assam, are jointly organizing an orientation training on COVID 19 and responsibilities of ICDS Field functionaries for the DPOs, DSWOs, CDPOs, District and Block Coordinators _POSHAN Abhiyaan Assam , so that they further orient the Supervisors and AWWs on the same. The orientation will be held on 24th April, 2020 from 11 .00AM to 2.00 pm

A Zoom VC link will be shared shortly, through email and whatsapp groups. Please be ready with your laptop/tablet/mobile phone with internet connectivity so that you can connect to meeting from your home/office on time. Please do not miss this important live session where expert would be talking on various topics.

This is for your kind information and necessary action

Additional Chief Secretary to the Govt. of Assam,
Social welfare Department

22nd April .2020
